

Product Club Passport

The Product Club launches the Traveler's Passport to promote sustainable consumption in Plana de l'Arc. Collect 7 stamps by visiting local accommodations, shops, and restaurants, and take part in raffles for unique experiences. Enjoy zero-kilometer products and quality services while supporting responsible tourism.

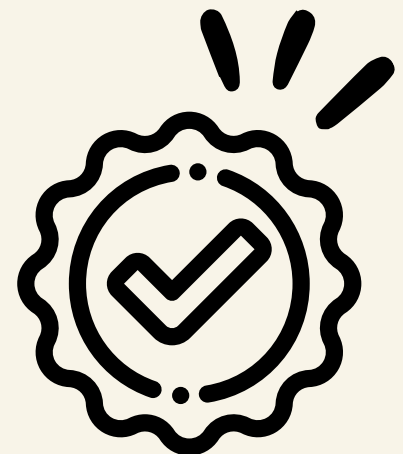

01. Visit our businesses

Pick up the Traveler's Passport at any establishment of the Product Club or at the Tourist Info offices in Vilafamés and Cabanes. Then, visit the participating establishments to begin your adventure.

02. Collect all 7 stamps

On each visit, present your passport and collect a stamp from each participating business. For purchases over €50, you'll receive two stamps. Remember, you cannot repeat businesses. You'll find all participating businesses on our website: www.planadelarc.com

03. Enter a giveaway

Once you have gathered the 7 stamps from different businesses, add your personal stamp and send the passport to the address indicated on it, or if you prefer, you can drop it off in person at the tourism offices in Cabanes or Vilafamés, or at any of the businesses in the Club of Products. By sending it, you will enter the draw for a 490€ voucher to enjoy at any establishment in the Club of Products. The draw will take place on June 30th.
